Medical Data Analysis Laboratory

Privacy Policy

What data do we collect?

MEDAL collects the following data:

- Personal identification information (Name, email address, affiliation/institution, role in your institution and purpose of usage for the dataset)

How do we collect your data?

You directly provide MEDAL with most of the data we collect. We collect data and process data when you:

- Fill the Google Form aiming to access the lung cancer dataset.
- Sending your information directly to any responsible by email.

How will we use your data?

MEDAL collects your data so that we can:

- Providing you access to the lung cancer dataset.

How do we store your data?

MEDAL securely stores your data at Google Servers.

MEDAL will keep all your data until you decide to remove it.

What are your data protection rights?

MEDAL would like to make sure you are fully aware of all of your data protection rights. Every user is entitled to the following:

Medical Data Analysis Laboratory

The right to access – You have the right to request MEDAL for copies of your personal data.

The right to rectification – You have the right to request that MEDAL correct any information you believe is inaccurate. You also have the right to request MEDAL to complete the information you believe is incomplete.

The right to erasure – You have the right to request that MEDAL erase your personal data.

The right to restrict processing – You have the right to request that MEDAL restrict the processing of your personal data, under certain conditions.

The right to object to processing – You have the right to object to MEDAL processing of your personal data, under certain conditions.

The right to data portability – You have the right to request MEDAL transfer the data that we have collected to another organization, or directly to you, under certain conditions.

If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact us at our email: medal@ctb.upm.es.
